A. M. BININGER & CO. Established 1778, SOLE IMPORTERS, No. 338 Broadway, N. Y.

This DELICIOUS TONIC especially designed for the use of the Medical Profession and the Fahilly, posesses those intrinsic medicinal properties (Tonic and Digretic) which belong to an Old and PURE GIN. The business ing them as beverages, under the titles, that is offered under similar forms, and the trade has thus been brought into disrepute. It has remained for our house (established in 1778) to supply the pressing popular need, and to inaugurate a new era in the history of the Trade. We trust that our established reputation - founded upon eighty years of experience - abundantly vindicates our claim to public confidence.
